

# IT'S HOT!

**206°**

Temperature when pulling from microwave

**212°**

Temperature when pulling from microwave

**175°**

Temperature when pulling from microwave

**156°**

Contact for 1-second will cause 3rd degree burns

**149°**

Contact for 2-seconds will cause 3rd degree burns

**140°**

Contact for 5-seconds will cause 3rd degree burns

You wouldn't let a **child** handle **food** cooked on a **stovetop**.  
**Why a microwave?**
